

Just the facts

BEAUTIFUL::AFRICA is a non-profit initiative to support Beautiful Gate, a care and training center for vulnerable children and families in Lesotho, Africa.

Lesotho's Emergency

Approximately 23% of Lesotho's 1.8 million residents have HIV/AIDS (one of the highest per-capita rates of AIDS in the world). Most of the population, 56%, live on under \$2 a day. This poverty and AIDS pandemic has led to the phenomenon of abandoned babies.

That's where Beautiful Gate come in. The donor supported Beautiful Gate provides residential and medical care to abandoned, HIV/AIDS affected children ages 0 –5 years.

The center currently employs over 60 care-givers, teachers, administrators and maintenance staff from the surrounding community, providing valuable employment in an area where jobs are difficult to find.

The challenge facing Beautiful Gate is that there is much more need than current financial resources can meet.

Giving to the BEAUTIFUL::AFRICA campaign supports the Beautiful Gate care center and ultimately gives the gift of love & hope to children who otherwise would have none.

Who We Are

We are the American Friends of Beautiful Gate Ministries International, a 501(c)(3) nonprofit.

We are a group of pastors, businessmen, students and friends united to support Beautiful Gate Lesotho in caring for children who have been cast-off, abandoned, or otherwise affected by poverty and AIDs.
